

Learn Japanese online!

2024
Japanese Language
Education Support Program

Are you
struggling?

- Want to learn Japanese that can be used at work?
- Want to be able to talk with your neighbors?
- Want to learn Japanese at your own pace?

This is an easy-to-understand Japanese learning material.
You can learn anytime, anywhere using
with your computer or smartphone.

Contents of the learning materials

- The content is available in English, Vietnamese, and Indonesian
- Materials are available for the Japanese Language Proficiency Test (JLPT) from levels N5 to N1.
- There are also materials for Business Japanese, Japanese for daily life, and children's learning materials.
- You can explore various aspects of Japanese culture through cultural exchange courses (participation is optional).

For example, you'll learn about garbage separation, how to explain symptoms of illness or injury, and disaster preparedness.
