3 次の英文は、Hanaが将来の夢について語ったスピーチです。この英文を読んで、下の**問い**に答えなさい。

Hello, everyone. What do you want to be in the future? I haven't decided what I want to be yet, but I know what I want to do.

I want to travel around the world and meet a lot of people. I want to eat local foods and enjoy beautiful views. I especially want to experience the cultures in other countries.

I always thought I had to study English hard to learn more about other countries. However, my aunt said, "Speaking English is not enough to understand other countries." She lived in foreign countries for many years. She also said, "The important thing is to learn about your own culture." I agree with my aunt's opinion. If I know my culture well, I can teach it to people in other countries and they can teach me about theirs. Then, we can understand each other well and become good friends.

I will study English harder and learn more about my own culture. I want to share Japanese culture with people in other countries!

[注] enough to ～するのに十分な
