Hello, everyone. My name is Paula Smith. I'm from America. I'm very happy to meet you and I'm very excited to teach you English. Please talk to me in English when you see me. I like swimming and listening to music. Five years ago, I came to Japan for the first time. I visited a lot of beautiful places in Kyoto and Nara. This is my second time to come to Japan. Of course, this time I've come to Japan to teach you English with your English teachers. Also, I want to learn Japanese traditional things. Have you ever seen *Kabuki*? I really want to see it. When I was a child, one Japanese family lived near my house. They were very kind. When they left America, they gave me beautiful *origami* flowers. Since then I have been interested in Japan. What are you interested in? Doing sports? Reading comic books? Show me and tell me about your favorite things in class. In the future, I want to travel around the world and make many friends. That's all. Thank you.
